CHILD CARE MARKET RATE SURVEY INFORMATION NOW AVAILABLE

(PHOENIX – October 5, 2000) – The Arizona Department of Economic Security (DES) has released the results of the Child Care Market Rate Survey 2000. The survey represents DES's sixth publication of this data and provides updated information on child care rates and other market considerations relating to the provision of child care services in Arizona.

In past years the information in the survey has proven useful to a wide array of audiences including parents, child care providers, public policy makers, local business and community leaders, financial lending institutions, university financial aid offices and human service advocacy organizations.

To obtain more information on the survey, contact the DES Child Care Administration at (602) 542-2568.
